

# ICTC 2021

THE 12<sup>TH</sup> INTERNATIONAL CONFERENCE ON  
ICT CONVERGENCE

“Beyond the Pandemic Era with ICT Convergence Innovation”

October 20-22, 2021 | Ramada Plaza Hotel, Jeju Island, Korea

**[Notice]** Due to the global COVID-19 pandemic, ICTC2021 will be held in the form of hybrid event (online & in-person) on October 20-22, 2021.

## CALL FOR PAPERS

ICTC is the unique global premier event for researchers, industry professionals, and academics interested in the latest developments in the emerging industrial convergence centered around the ICT. More specifically, it will address challenges with realizing ICT convergence over the various industrial sectors, including the internet infrastructures and applications in wireless & mobile communications, smart devices & consumer appliances, mobile cloud computing, green communication, healthcare and bio-informatics, and intelligent transportation. The conference is organized by KICS. The conference will include plenary sessions, technical paper sessions, and invited industrial/special sessions. Accepted technical papers will be published in the proceedings with an assigned ISBN number. You are invited to submit papers in all areas of internet infrastructures, services, technologies, and applications for ICT convergence.

### RELATED TOPICS:

Potential topics in this conference include, but are not limited to:

- 6G, 5G, 4G, LTE, LTE-Advanced, WLAN, WPAN, WBAN
- Artificial Intelligence and Machine Learning
- Autonomous Driving and Telematics
- Big Data and Its Applications
- Blockchain
- CCN/CDN/ICN/Delay-tolerant networks
- Communication Networks and Future Internet Technologies
- Encryption and Security for ICT Convergence
- Energy Internet, Smart Grid Infrastructure and Applications
- Green Communication Technologies and Solutions
- Information & Communication Theory, and Their Applications
- Internet of Things (IoT) and Web of Objects (WoO)
- Machine-to-Machine (M2M) and D2D Communications
- Maritime Communications Systems & Networks
- Military and Defense Technologies
- Mobile Cloud Computing & Communication Systems and Applications
- Mobile S/W and Data Science
- Other Services and Applications for ICT Convergence
- Public Protection & Disaster Relief (PPDR) Communication
- Quantum Computing & Communications
- SDN and Network Virtualization
- Smart Media & Broadcasting, and Smart Devices/Appliances
- u-Healthcare Systems, and Bio-informatics & Its Applications
- Vehicular Information and Communication Technologies
- Wireless & Mobile Communication Systems and Infrastructure

### SUBMISSIONS:

ICTC 2021 invites the submission of original, unpublished research work (including position papers) that is not currently under review elsewhere. Authors may submit either a 6-page full paper for selected journal publication or a 3-page short paper. The submissions should be formatted with single-spaced, two-column pages using at least 10 pt (or higher) size fonts on A4 or letter pages. Please make sure that both full papers and short papers must be at minimum 3 pages in length. Detailed formatting and submission instructions will be available on the conference web site (<http://ictc.org>).

### RECENT RESULTS

In this “Recent Results” session, early stage research results or recently accepted international conference and journals papers will have a chance to present for the promotion. For submission, 1-page template will be provided for the extended abstract organization. In terms of presentation, 4–6 slides will be allowed for the poster presentation.

### KEYNOTE SPEECHES and INDUSTRIAL/SPECIAL TALKS:

During ICTC 2021, Keynote Speeches, Industrial Talks, and Special Talks will be delivered by high level VIPs and prominent speakers.

### CALL FOR WORKSHOP PROPOSALS:

Proposals are invited for half-day or full-day workshops in the areas of communications, networks, or other ICT-related topics. For any inquiries on workshops, please contact at [ictc@kics.or.kr](mailto:ictc@kics.or.kr).

### PRESENTATION:

The accepted paper will be presented either in an oral session or poster session. All accepted papers will appear in the ICTC 2021 proceedings only if at least one of the authors attends the conference to present the paper.

### JOURNAL PUBLICATION:

Extended versions of selected papers will be invited for publication in SCI-indexed journals such as Journal of Communications and Networks, Int'l Journal of Distributed Sensor Networks, Springer Peer-to-Peer Networking & Applications Journal, and other journals including ICT Express (Scopus), Information Journal (Scopus), and KICS Journal after an express review and further revisions.

### BEST PAPER AWARDS:

ICTC 2021 will present the Best Paper Awards to the authors of selected outstanding papers.
